

7000-8408

Dual 7000 Mount

Now you can mount two of our best-selling 7000 LCD Arms from one point on your desk. Effortlessly reposition each monitor with just one hand. You will free up desk space, even as you work in greater ergonomic comfort.

The dual mount can be clamped to desk edge or grommet, or bolted through the desk.

FEATURES

- ▲ Extremely flexible positioning of dual screens
- ▲ Independently move and adjust each arm
- ▲ Clamp mount to desk edge or bolt through desk
- ▲ Cable management reduces workplace clutter

Quickly adjust monitor position as your needs change

Instantly configure Dual 7000 to serve two users working opposite one another

Integrated cable management

Clamps to desk edge or through grommet
