

RADIUS Signature 67

Combine the beauty and warmth of fine hardwood with optimal ergonomics and acoustical transparency with RADIUS Signature 67. Organize and protect your gear for faster workflow. Signature 67 is handcrafted in Missouri of solid hardwood trim, wood veneers, high pressure laminates, and texture coat finish over birch plywood construction to provide solid support and durability. Large desk area features lowered monitor platform and concealed internal cable management. Desk measures: 67.5" w, 32" d, 31.9" h. Optional configurations include 10 RU straight or slanted floor rack mounted left or right, or steel legs. Independent upper racks (up to 3) in 4 or 6 RU units provide more rack space above. Mix and match components to configure Signature 67 desk to suit your specific needs. Ships assembled on pallet from MO. Some set up required.
