

RADIUS Composer 61

Combine the beauty and warmth of fine hardwood with optimal ergonomics and acoustical transparency with RADIUS Composer 61. Organize and protect your gear for faster workflow. Composer 61 is handcrafted in Nashville of solid hardwood trim, wood veneers, high pressure laminates, and texture coat finish over birch plywood construction to provide solid support and durability. Large pull-out keyboard tray can accommodate most keyboards up to 44.75" wide. Desk measures: 67.5" w, 32" d, 31.9" h. Optional configurations include 10 RU straight or slanted floor rack mounted left or right, or steel legs. Independent upper racks (up to 3) in 4 or 6 RU units provide more rack space above. Mix and match components to configure the Composer desk to suit your individual needs.
